

A vintage open-top car is driving on a dirt road through a forest. The car is dark-colored and has several people inside. The background shows trees and a hazy sky.

The Old Redwood Highway Tour

22 August 2009

8:00 - 10:00 am

Limit 75 vehicles.

There is no charge for participating but you
MUST REGISTER TO PARTICIPATE

See *Highway199.org* for registration and
contact information.

The tour is sponsored by the Lions Club and
community nonprofit partners.

A map and pictures of the tour route are on the
back of this page.

About the Route

The distance from the Elk Valley Casino to the historic Kerbyville Union School is about 60 miles with half of the distance on paved roads and the other half on gravel surfaced roads. The pictures below provide an idea of what the gravel surfaced roads look like.

The Lions Club and other community non-profit groups will set up displays and safety check points along the entire route to assure all participants get through safely. See Highway199.org for more information

The **tour ends** at the historic Kerbyville Union School with displays on local history, artwork, Model T cars, living history performances, and BBQ lunch from 11:00-2:00. No entrance fee. Lunch \$7:00 per person.

Descending into Illinois Valley from the Oregon-California border.

Tour route near the Oregon-Cal. border.

**Crescent City
California**

Through the redwood forest near Crescent City.

Climbing north out of Gasquet
